THE “ESE” FORUMS ARE INTERNATIONAL BUSINESS EVENTS FOCUSED ON LOGISTICS AND RELATED INDUSTRIES.

Since 2010, we have been hosting unique business events that unite key stakeholders across multiple economic sectors to promote open, effective dialogue and support the sustainable development of participants’ businesses and the industry as a whole.

ESE projects annually attract over 250 participating companies from Russia, China, Kazakhstan, Turkey, Tajikistan, as well as countries across Europe, Central Asia, and Southeast Asia.

300+

delegates at each event

250+

companies in the overall participant pool

7

annual projects across Russia and Asia

17

countries represented by participants

The International Transport Forum “ESE ASIA” is a joint project of the industry business events operator ESE, Vostok LLC (Russia), and the Chartered Institute of Logistics and Transport (CILT) Central Asia

ESE Asia 2026

TARGET AUDIENCE:

- Railways and rolling stock operators
- Road freight carriers
- Shipping companies: owners / operators / agents / brokers
- Ports and terminals
- Freight forwarding and logistics companies
- Stevedoring and cargo surveying agents
- Legal, IT, and insurance companies
- Financial institutions and investors
- Cargo owners / exporters and importers
- Industry associations and government authorities

Participants represent Russia, Kazakhstan, other Central Asian countries, China, India, Iran, Azerbaijan, South Korea, Europe, and beyond.

ESE ASIA 2025: HIGHLIGHTS

ESE Asia 2026

Three men in dark suits are engaged in a conversation in a networking area. They are holding coffee cups and appear to be in a relaxed, social setting.
